

## 1. Access and Motivation

*My background:*

*I work in occupational rehabilitation. I teach Communication and English to people who train for new jobs because for several reasons they cannot perform their occupation anymore. They are between 19 and 55 years of age.*

*One of my groups are apprentices for Tourism and Leisure Agents, which I have chosen for this task.*

*The aim of this course will be to make them create an interactive map to welcome people to Stralsund and show them around the city providing information on history, culture, sights and good places to go out.*

Target group: Apprentices for Tourism and Leisure Agents

Teaching objects: Revising vocabulary for welcoming guests, giving directions, giving recommendations, presenting information about the past, improving digital skills

Content: Showing people around a town

Media: photos, videos, Learning Management System ILIAS

Title	Welcome to Stralsund
Purpose	After finishing this task you will be able to use some of the ILIAS components, you will know your colleagues better and you will have an overview about this course.
Brief summary	<ol style="list-style-type: none"><li>1. Have a look at the course itinerary.</li><li>2. Watch the video on the introductions site. It will give you an overview about the handling of ILIAS.</li><li>3. Prepare a short presentation, telling us who you are.</li></ol>
Spark	 <p>Welcome to Stralsund!</p>

Individual Contribution	<p>Get an overview about the course and watch the video. If you have any questions, please use the SOS-Forum to ask them.</p> <p>Prepare a presentation about yourself: Tell us who you are. Why did you choose this occupation? What is your favourite place in Stralsund and why? Why should tourists visit this city?</p> <p>Publish your presentation in the blog unit in ILIAS. Your post should not exceed 300 words. You may publish a photo, if you like. This tasks should be finished within the next 3 days.</p>
Dialogue begins	<p>Please read all the contributions of your colleagues. Choose two and write a reply to them. Maybe you also know their favourite place. Every reply should not exceed 80 words. This task should be completed by the end of the week.</p>
E-moderator interventions	<p>The E-moderator will write the first presentation to introduce him/herself. He/she will keep an eye on the contributions and of course on the SOS-Forum in case students need help with the task or with the technical aspects of ILIAS.</p>
Time schedule	<p>Study time will be about 3-4 hours a week.</p>
Next	<p>Next you will get more familiar with the tools offered in ILIAS and you will start working with each other</p>
