

2. Online Socialization

Target group:	Apprentices for Tourism and Leisure Agents
Teaching objects:	Revising vocabulary for welcoming guests, giving directions, giving recommendations, presenting information about the past, improving digital skills
Content:	Showing people around a town
Media:	photos, videos, Learning Management System ILIAS

Title	Let's meet!
Purpose	After this task you will get to know Stralsund better. Furthermore you will get more familiar with the tools used in ILIAS and you will assign yourself in groups for the upcoming tasks.
Brief summary	You will collect information about the town, make contributions to our E-Portfolio and assign to a group.
Spark	https://www.stralsundtourismus.de/en/welcome
Individual Contribution	<p>Have a look at the website of the town's Tourist Centre and get a closer look at Stralsund. Is there anything you have not known about the town before? What interests you most – the history, the museums</p> <p>Write a short paragraph about the town using the prompts above and post it in your blog in ILIAS.</p> <p>Decide on the topic you want to work on for the next tasks and assign yourself to the appropriate group. You can choose between: history, sights, eating out, nightlife and sports. Each group shall not have more than 3 members.</p> <p>The task should be completed within the next 4 days.</p>
Dialogue begins	After posting your blog entry have a look at the other contributions. Maybe you can find someone with the same interests so you can work together. Choose one or two contributions and write a short reply. It shall not exceed 100 words. The task should be completed by the end of the week.

E-moderator interventions	The E-moderator will read all contributions and of course on the SOS-Forum in case students need help with the task or with the technical aspects of ILIAS.
Time schedule	Study time will be about 5-6 hours a week.
Next	Next you will start working in groups collecting information on your chosen topic.
